

The Chemist Warehouse Master of Pharmacy Practice Scholarship was established in 2024 through the generous donation from Chemist Warehouse®. Chemist Warehouse continues to be at the forefront of New Zealand pharmacy, and is New Zealand's largest retail pharmacy group.

They aim to enhance patient and customer outcomes through the most effective means, resulting in greater patient outcomes and customer savings.

Up to four scholarships, including potential for a work placement opportunity at Chemist Warehouse, will be awarded each year (2025-2027) to students studying the Master of Pharmacy Practice at the University of Waikato who meet the selection criteria. Half the total \$10,000 funding available each year will be allocated preferentially to students who whakakpapa to [Waikato-Tainui](#) or who are of Māori and/or Pacific descent. The work placement will be paid directly by Chemist Warehouse.
