

The Hamilton Club Award in Health - 2025

THE UNIVERSITY OF
WAIKATO
Te Whare Wānanga o Waikato

The Hamilton Club Award in Health (hereafter Scholarship) was established in 2017 by the generous legacy of The Hamilton Club (hereafter Club). The Club served the Hamilton and wider rural communities for 119 years (1898 to 2017). However, like many other clubs in New Zealand, membership declined over the years (a reflection of the changing times), making it no longer viable. In 2017 the remaining 54 members unanimously decided to dissolve the Club and distribute its \$1.3 million capital to five Hamilton organisations, creating an enduring legacy. The assets are derived from the sale of the Club's historic building. Purchased by a developer, the former clubhouse was restored to its original 1904 state and has since been re-purposed for professional office use. It will stand proud for another 100 years under the name 'Panama House'. The funds are held in trust by the University of Waikato Foundation. Up to fifty Scholarships will be awarded each year, across two application rounds per year, until 2028 when it is anticipated that the funds will be fully depleted.
